

## **Residential Installer and Service Technician**

Connecting over 500 Manitoba Communities and rural Municipalities to the world, NetSet Communications is a company built on a foundation of rural roots. We are dependable, consistent and committed to providing our members the best service and experience.

We are looking to add Residential Installers to our team. The successful candidate will become part of a fast paced and dedicated environment that works together to provide our clients with the highest possible level of service.

### Responsibilities

- Installing equipment in residential and/or small businesses
- Servicing, repairing and maintaining equipment
- Completing relocations
- Upgrading residential and small business customer equipment
- Providing exceptional customer care and courtesy
- Maintaining the ability to be honest and reliable, while also reasoning and calming customers who may be upset

### Qualifications

- Must have a valid drivers licence; Drivers abstract will be requested during hiring process
- The ability to lift heavy equipment on a regular basis and consistently
- Willingness to learn and grow in a team environment
- Oral and Written communication skills
- Ability to follow directions and/or use GPS
- The ability to keep customer service information confidential
- Must have the ability to work in extreme weather conditions all year round

*If you feel that this position is for you, please forward your cover letter and resume to the address below, clearly stating how you meet these requirements. This position is based out of Brandon, MB. Salary and benefits to be commensurate with education and experience.*
